

CASTING: ACTORS / DANCERS / CIRCUS ARTISTS / PERFORMANCE ARTISTS

Casting call for participatory and immersive theatre play!

EVE is a multi-sensory “love simulation” that blends together ancient rituals and futuristic technologies. It’s an immersive theatre performance about the relationship between coder Evelin and Ion - an artificial intelligence made for loving her. EVE is the first performance in the world that enables 50 participants to simultaneously experience room escape games, physical theatre and interactive light installations. Based on the personal dreams and fears of the audience, EVE will create a whole alternate reality of its own.

Apply for EVE if you are a performance artists, dancer **or** an actor wanting to dive deep into immersive performing and the human mind fallen in love. Production languages are Finnish and English.

ACTORS: you have experience in acting in theatre or films, and enthusiasm towards dancing or physical acting.

DANCERS/CIRCUS ARTISTS: background in dancing or circus performances, especially aerialists are needed.

PERFORMANCE ARTISTS: experience in ritualistic or interactive performances and one-on-one –type of encounters.
