WIGSBY TIGHTWIRE PERFORMANCE

WWW.LUMOCOMPANY.COM

Tightwire performance Wigsby sheds light into the six layers of personality of the same person.

The personalities will dance on the wires, some in harmony, others in conflict. Together they compose an individual, a whole. The network built of three tightwires is a meeting point, where they fight for their territory but also combine their powers.

TECHNICAL

- Flat surface
- Audience 360 degrees around
- Three tightwires
- Rigging with stakes or concrete ballast
 - Six performers + one technician
 - 30min show / 2 times a day
